## RESOLUTION

WHEREAS, the Board of Trustees of Santo I.S.D. has experienced significant increases in fixed costs associated with electrical energy.

WHEREAS, these increased non student based costs have diminished revenue for direct student services.

WHEREAS, Texas Educational Code 44.902 requires that school districts set a goal of a 5% reduction in electrical consumption over a six year period beginning September 1, 2007

BE IT RESOLVED, that the Santo Independent School District Board of Trustees establish a goal of reducing electrical consumption within the school district by 5% each fiscal year for the next six years.
