Authorization for the Administration of the Influenza Vaccine

I am providing this consent form to Parker County Hospital District in order that I may be given the influenza vaccination. I have read and understand the information I have received concerning the possible benefits and side effects of the Influenza vaccination. I hereby acknowledge that, based on the information presented to me, I am eligible to receive the influenza vaccine on this date. I am feeling well today and I have not recently had fever. I understand that no assurance can be given that the influenza vaccination will give me immunity from contracting any strain of influenza. I hereby acknowledge that I have received access to the Vaccine Information Sheet regarding the Influenza Vaccine. I release Parker County Hospital District, its employees, representatives and agents from any liability for giving me the influenza vaccination. I accept responsibility for seeking medical attention for any problems associated with my receiving the vaccine. I have had the opportunity to have all my questions answered. I understand that this consent is valid for 6 months and I will make PCHD/employer/school aware of any changes prior to being vaccinated. If applicable, I authorize PCHD to provide my child's school with documentation of vaccinations given today.

The Texas Immunization Registry (ImmTrac2) is a free service of the Texas Department of State Health Services (DSHS). The Texas Immunization Registry is a secure and confidential service that consolidates and stores your child's (younger than 18 years of age) immunization records. With your consent, your child's immunization information will be included in the Texas Immunization Registry. Doctors, public health departments, schools, and other authorized professionals can access your child's immunization history to ensure that important vaccines are not missed. For more information, see Texas Health and Safety Code Sec. 161.007 (d). **https://statutes.capitol.texas.gov/Docs/HS/htm/HS.161.htm#161.007.**

Consent for Registration of Child and Release of Immunization Records to Authorized Persons/Entities

I understand that, by granting the consent below, I am authorizing release of the child's immunization information to DSHS and I further understand that DSHS will include this information in the Texas Immunization Registry. Once in the Texas Immunization Registry, the child's immunization information may by law be accessed by a public health district or local health department, for public health purposes within their areas of jurisdiction, a physician, or other health-care provider legally authorized to administer vaccines, for treating the child as a patient, a state agency having legal custody of the child, a Texas school or child-care facility in which the child is enrolled, and a payor, currently authorized by the Texas Department of Insurance to operate in Texas, regarding coverage for the child. I understand that I may withdraw this consent at any time by submitting a completed Withdrawal of Consent Form in writing to the Texas Department of State Health Services, Texas Immunization Registry.

State law permits the inclusion of immunization records for First Responders and their immediate family members in the Texas Immunization Registry. A "First Responder" is defined as a public safety employee or volunteer whose duties include responding rapidly to an emergency. An "immediate family member" is defined as a parent, spouse, child, or sibling who resides in the same household as the First Responder. For more information, see Texas Health and Safety Code Sec. 161.00705. https://statutes.capitol.texas.gov/Docs/HS/htm/HS.161.htm#161.00705.

Please mark the following box to indicate whether your child is an Immediate Family Member of a First Responder: ☐ **I am an IMMEDIATE FAMILY MEMBER of a First Responder.**

By my signature below, I GRANT consent for registration. I wish to INCLUDE my child's information in the Texas Immunization Registry.

Texas Vaccines for Children (TVFC) Program Patient Eligibility Screening Record

A record of all children 18 years of age or younger who receive immunizations through the Texas Vaccines for Children (TVFC) Program must be kept in the health care provider's office for a minimum of five (5) years. The record may be completed by the parent, guardian, individual of record, or by the health care provider. TVFC eligibility screening and documentation of eligibility status must take place with each immunization visit to ensure eligibility status for the program. While verification of responses is not required, it is necessary to retain this or a similar record for each child receiving vaccines under the TVFC Program.
